

Last Chance to Draw District Maps for the City of Covina!

Thursday December 23, 2021 by 3 p.m.

Covina community members still have time to draw a City Council voting district map! A mapping template is available at MapCovina.org/Draw-A-Map for the public to create their own maps. All submissions will be reviewed and posted to the redistricting website.

The deadline for the public to submit maps is Thursday December 23, 2021 by 3 p.m.

Residents are also encouraged to provide feedback on draft maps that are posted on MapCovina.org/Draft-Maps.

Submit public comments, including draft maps, to districting@covinaca.org. For more information, visit MapCovina.org.
